

Schneiter's Bluff Golf Course Tournament Contract & Policy

1. Booking Tournaments:

Tournaments may be booked in advance provided scheduling permits. When booking tournaments a Credit Card hold will be required on all tournaments unless prior arrangements have been made.

2. Cancellation:

Five days prior to the event you will be asked to confirm the number of tee times you wish to reserve. That number will represent the number of tee times for which you will be charged and which we will hold for you. (Each tee time represents four (4) green fees) Green fees and golf carts must be paid in a lump sum 4 days prior to your tournament. Those who wish to hold a shotgun start must have a minimum of 60 players and start no later than 1 hour after sunrise.

We require a 90% guarantee on all confirmed players (i.e. If you confirm 50 players, you will be responsible for 90% of that number which would be 45.) Return confirmation immediately, or your tournament may be subject to cancellation.

3. Food and Beverage:

No person or group may bring food, beverages, or alcohol onto the premise. Schneiter's Bluff G.C. will provide adequate refreshments at fair and reasonable prices. An expanded menu can be arranged through our café. Since food must be purchased in advance, you will be charged for the final number you give us regardless of how many show up.
